

Bring Your Meetings to Life

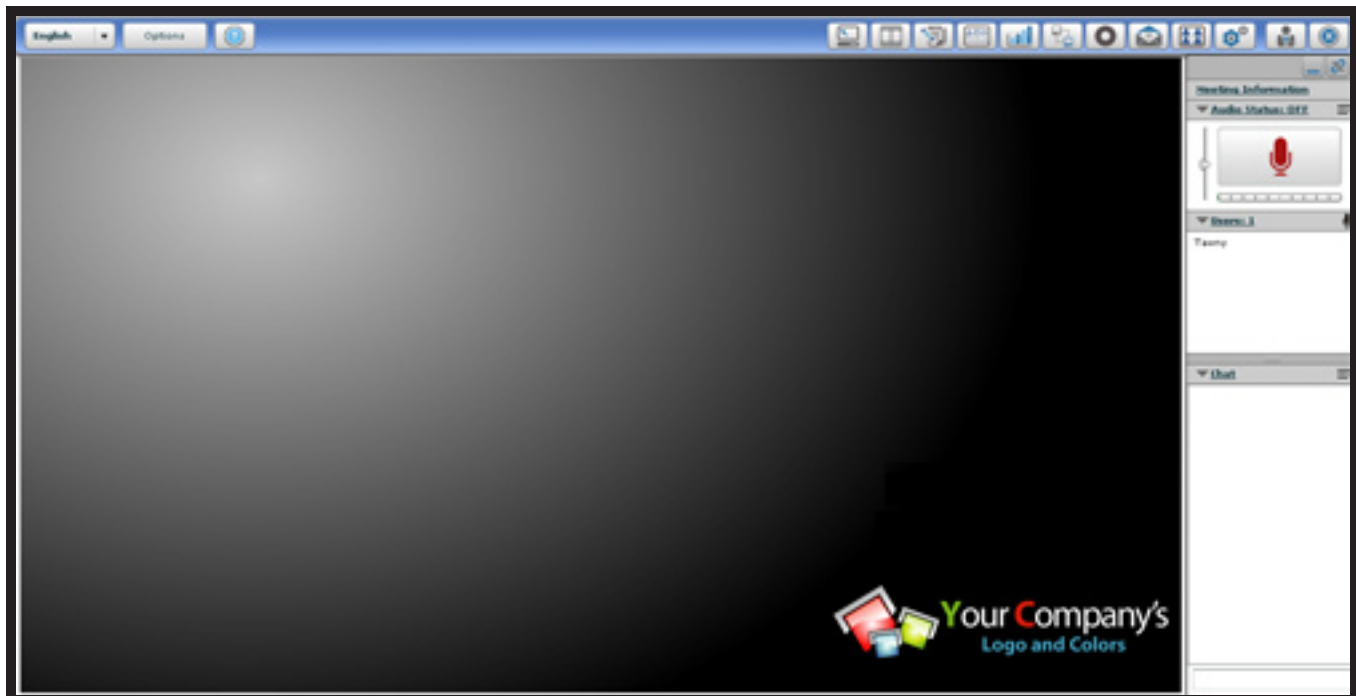

Experience the Power of a MegaMeeting *Private Branded* Account

Meet face-to-face and conduct online meetings with your prospects, clients and employees...without anyone ever having to leave their home, office or desk! With MegaMeeting Private Branding your organization can create a Web & Video Conferencing Solution that they can call their own.

Ideal for businesses that want their own Private Branded Web & Video Conferencing solution

-  **Custom Exit Page at No Additional Charge**
Customize your meetings exit page, so when meeting attendees leave your meeting, they either can be directed to your company's home page or a special landing page.
-  **All References to MegaMeeting Removed**
Create a unique look and feel in you meeting room by replacing all MegaMeeting.com branding with your organization's specific brandings (company's logo and colors).
-  **Unique Meeting URL**
MegaMeeting Enterprise allows you to originate your meetings from any domain/URL.
-  **"Resell" Licensed Seats (Enterprise Only)**
if you wish to resell "seats" to your "end users", you can do so and charge whatever amount you wish.

Available for all Enterprise and Professional/Webinar accounts with Business Bundle.

\$300.00 Per Month
